

My Dear CDA Sisters,

As we prepare to begin the Jubilee Year of Mercy declared by Pope Francis, we wish to offer you, our beloved members, some suggestions of how we might increase our own spirituality and reach out to others in service. Enclosed please find a brochure giving you background information concerning the Extraordinary Jubilee Year of Mercy to share with (or perhaps purchase for) your Courts. You might want to take special note of the Spiritual Works of Mercy described in the brochure. As Catholic Daughters we recognize the Corporal Works of Mercy in what we do for others. The Spiritual Works of Mercy assist us in deepening our relationship with our Lord so that we may continue to bring these Works to others.

Below you will find some suggestions for Spiritual enhancement in addition to those found in the Rising Dawn. On the back, there is a listing of resources which you might find helpful.

In closing, let us Pray for each other and encourage one another to follow the Lord as women of faith.

In Unity and Charity,

“Follow Me ... As Women of Faith”
